

# GALAGIZMOS

March 2010

Have no fear. Gizmos are here. This will be the best and easiest CEE Gala Auction ever.

## Hold on to your Elvis

### The Gala is going digital!

That's right, Sammy. Frank is willing to use the new Gala Gizmo to place his bids on over 700 Rat Packable items.

Here's how it works...

- Every guest will get a Smartcard and every couple gets a Gizmo for the evening.
- Enter your bids and watch your item to stay in the game.
- ALL Silent Auction sections will stay open until dinner.
- You can bid from anywhere in the Room.
- Current Bids will be projected on a large screen. But your Gizmo will keep you updated on each item's status.
- Gizmo Concierge will train you on the Gizmo and help you throughout the event.
- Live Auction as usual.
- Express Pay, Invoices as usual.
- Receipts as usual.
- Retrieval as usual.
