

Fall 2018 After School Program Classes

- MONDAY -

LET'S PLAY: Instrumental Music Lessons (October-May)

Violin, Flute, Trumpet, Clarinet or Percussion lessons!

1st & 2nd graders – Violin

3rd-6th graders – Trumpet, Clarinet, Flute, Percussion or Violin

To register for these instrument lessons email Susan at mccarthys@cee-school.org.

State your child's grade and which instrument they would like to take. We will send you information on buying or renting an instrument. Class times will be sent out once we see how many of each instrument we have.

These classes start October 1. Please register soon so we can form the classes and get you instrument rental/purchase information.

Small group lessons meet Monday afternoons for 30-45 minutes sometime between 3:15 and 5:45 pm. Intermediate and Advanced students will add a Friday or Thursday morning ensemble starting in January.

You will be billed in 3 installments in October (\$275), January and April (\$275 each plus ensemble fee).

Survivor PE

Join Louise for "Survivor - P.E.". Each day players will be challenged physically and mentally through agility games which build and test their skills to earn the most points. New and creative games allow the players to earn points as an individual player and as a team member. Points are earned only in a positive way in this version of "survivor", where each day an individual and team survivor will be awarded. Some great challenges and games will include: Structure Challenges, Scavenger Hunts, Cat-O-Nine Tails, Snowball Tag, Team Structure, Obstacle Courses, Pirates Bounty, and more! Too much fun to be missed!

Math Tournament Team w/Janet (Fall AND Winter Terms)

The Math Tournament Team after-school class is for 4th-6th graders who are serious math students and interested in competing in two Los Angeles area math tournaments on February 9 and March 16. Students need to dedicate a whole Saturday morning to each competition; there may be more tournaments as well. The class will consist of very challenging problems requiring students to draw upon their skills and perseverance to solve individually and in groups. Given the demanding nature of the math challenges at the tournaments, there will be practice problems assigned as homework for students to complete outside of class time. The class and tournaments are designed for math-minded students who are eager to embrace problem-solving challenges. Of the students who attend there will be team members and some students may serve as alternates at one or both tournaments.

Dates: 9/28 10/5, 12, 19, 26 11/2, 30 12/7, 14 and 1/11, 18, 25 2/1, 8, 15, 22 3/8 *Time: 3:30-4:30*

Instructor: Janet Lee

Grades: 4th-6th

Location: Math Room

Fee: \$220 (\$185 + \$30 math book)
